

Aged Care and Allied Health Professionals Parkinson's Workshop

Elevate your understanding of Parkinson's and enhance your ability to provide great care and service to those affected by it.

Join Parkinson's Queensland and fellow professionals for an enlightening workshop designed to deepen your knowledge of Parkinson's Disease. Information will be provided to assist you in providing exceptional care and support to people living with Parkinson's.

- Gain valuable insights into Parkinson's Disease
- Collaborate with like-minded professionals
- Explore effective treatments and support strategies
- Enhance quality of life for those with Parkinson's

This non-clinical session is your opportunity to join experts and peers alike, fostering a community dedicated to improving the lives of those affected by Parkinson's. Let's work together towards a brighter, more informed future.

Don't miss out on this invaluable opportunity to make a difference.
